Caterings

Smoked, slow-cooked, fermented or fried, it's all made from scratch in our kitchens from the best produce we can find. Sometimes that means simply picking heirloom vegetables, herbs and edible flowers from our onsite garden.

We create modern twists on dishes that follow the seasons and mirror the whims and fancies of our passionate team of culinary professionals.

Events

Talk to us about your event - whether it be a grand corporate function or an intimate family gathering - we can tailor a menu with a service style to suit your budget and occasion.

From 10-1000 guests.

Menu

Canapés, platters, buffet, family, plated or cocktail style - simple drop-off delivery or fully staffed. Every menu is designed to suit your budget & dietary requirements.

Weddings

We love weddings! Our highly experienced team of wedding planners, chefs and service staff will help you create the day of your dreams. Together we will find a venue to suit your style and budget, view our range of linen and centrepieces, lets chat about local suppliers and your menu expectations - then the real fun begins!
