BLUE BATHS

Whether it’s an intimate affair or an extravagant celebration, with our selection of amazing locations, progressive food philosophy and immeasurable passion you have a day to remember.

1.

Homebase for our wedding specialist team is the heritage listed Blue Baths in Rotorua, where very special occasions have been hosted since 1933. This unique venue features sparkling sapphire pools, expansive Lido Lounge, vintage Social Room and rooftop balcony.

THE SOCIAL ROOM

The Social Room, has been returned to its former elegance, accessed from The Foyer via a sweeping Art Deco terrazzo staircase. The room has ten sets of French doors, with access to a private roof top balcony, and the area provides beautiful views of the Government Gardens.

LIDO LOUNGE

The diversity of architectural styles within our grand Lido Lounge makes this the perfect venue for your wedding reception. This spectacular 600 sq metre area was once the adult pool, now waterless and just 30 cm deep, the former pool provides the setting for a new era of glamour and sophistication, leaving only your imagination as the limit for your special day.
